

SCENIC°

Letter of Recommendation

The group Krystal has been giving us a lot of enjoyable evenings onboard our luxury 5 star ships.

Their variety from disco, pop, French, electro, 80's, rock and international songs made it very successful evenings for our guests.

They are very professional, in time and dressed for the occasion.

I can only recommend them to you as they will be an asset to your entertainment.

A handwritten signature in black ink, appearing to read 'Anita van Vliet', written over two horizontal lines.
